Description of Request: Pursuant to the Freedom of Information Act, I hereby request ALL internal communications, memoranda, notes of meetings and email traffic discussing options for the routing of the proposed transmissionline or lines described generically as "I-5 Corridor Reinforcement Project", dating back to the beginning of the project. The requested communications to include but not limited to communications between project managers, transmission planners, line designers, lands and realty groups, their managers and vice Presidents, and any plicy team members. Additionally external communications as noted above between the (Federal Energy Regulatory Commision), the NWPPC (Northwest Power Planning Counsel), the states of Oregon and Washington, County and Local agencies and Utlities within these states, any Politicians (Federal, State, County, and Local) and contractors used in all aspects of the project development.

Preferred format: .doc or .pdf

Type of Requester: Personal

I request a fee Waiver

I request a waiver or reduction of fees because my request concerns "the operations or activities of the government" as explained below:

Yes, I believe the BPA is not forthcoming with relevant information that went into the decision making process for this project to date.

I request a waiver or reduction of fees because the discolsure is "likely to contribute" to an understanding of government operations or activities as explained below:

Yes, as the BPA has not been forthcoming, I, as an affected party to this project can better understand how these decisions were made.

I request a waiver or reduction of fees because an understanding by the general public of the subject is likely to result from disclosure, taking into account my ability and intent to disseminate the information to the public in a form that can further understanding of the subject matter as explained below:

Yes, as the BPA has not been forthcoming, I and ~10,000 other property owners are affected parties to this project can better understand how these decisions were made.

I request a waiver or reduction of fees because the disclosure is likely to contribute "significantly" to public understanding of government operations or activities as explained below:

Yes, I believe that the BPA is not forthcoming with relevant information that went into the decision making process for this project to-date.

I request a waiver or reduction of fees because of a commercial interest that would be furthered by the requested disclosure, and, if so:

none

I request a waiver or reduction of fees because the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is "primarily in the commercial interest of the requester." as explained below:

none
